**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to keep competition in the ISP industry strong. Its the only way to ensure that end users have affordable internet. I also dont want to be forced into a a service that I do not want. I currently have super affordable gigabit fiber to our home with amazing customer service!

Dont screw this up for America!!!
